PASSION FOR
DOCTOR'S CASES.

The DÜRASOL Company is a family business in the third generation.

For more than 40 years our passion is to invent and manufacture special high quality bags and cases for doctors, nurses and others in the health industry.

Our focus is on perfect material and workmanship, applied functionality and longevity with an excellent value for money for our customers. "Made in Germany" is more than a buzzword

for us – we live it and we keep it alive, everyday in every product. Like that we can grant for a persisting fine quality from the manufacturing until the final quality control.

Our customers have the right to rely on our bags every day.

The international success we are having with our special solutions for doctors and nurses is for our employees and us no reason to hold on. Moreover it triggers a constant

process of improvement and innovation. The great number of in-house developments shows our dynamics that we are always looking for the best and individual solution to satisfy our clients.

Convince yourself – your satisfaction is our inducement!
